Warranties

Satisfaction guaranteed

At CONFORTECK EQUIPMENTS INC, we are committed to offering you top quality products. Our success depends on total customer satisfaction and that is why our products are covered by a guarantee of satisfaction for a period of 10 days following the date of purchase. If for any reason you are not satisfied, contact us within that period for a return authorization number (RMA). Send us the undamaged merchandise in its original packaging and we will refund you the full purchase price, tax included, less 20% for handling and re-stocking charges. Shipping charges are not reimbursable. Shipping charges for return are at your expense. Returns without an authorization number will be refused and returned to the sender at his/her expense. The different points of sale are free to handle the guarantee of satisfaction at their own discretion.

Warranty

ConforTeck products are covered by a one year warranty when handled, installed, maintained and used correctly in accordance with the manufacturer's instructions. This warranty is limited to the repair or replacement of the product and is automatically rendered void by any change, modification, abuse or application other than that for which the product was originally intended. Shipping charges for warranty are at your expense. For more information concerning the warranty, visit our web site or contact us to obtain a copy of it.
